

# 2G case: Delhi HC to hear on day to day basis CBI, ED appeals against acquittal of A Raja, others

**NEW DELHI, AUG 10** /— The Delhi High Court on Thursday will start hearing on a day to day basis from August 28 the appeals by the CBI and ED against the acquittal of former telecom minister A Raja, business entities and others in the 2G spectrum allocation case.

Justice Dinesh Kumar Sharma expressed displeasure over a request for an adjournment made by the counsel for the probe agencies and directed that the matter be listed after two weeks for submissions.

"How will we continue like this? We can't continue giving dates like this," the judge said. On March 19, 2018, the Enforcement Directorate (ED) had approached the High Court for a special order of December 2017 acquitting the accused. A day later, the CBI too challenged in the High Court the acquittal of the accused. The matter is currently at the stage of 'leave to appeal' which is a formal permission granted by a court to a party to challenge a decision in a higher court. On Thursday, a request was made to the court to defer the hearing till September end to await the appointment of special counsel for Central Bureau of Investigation (CBI) to argue the appeal. The court, however, remarked that things "cannot be hanging fire like this". The court asked the ED counsel to bring submissions on the issue of leave to appeal. It

was, however, informed the ED's case would be based on CBI submissions. "Last after two weeks, thereafter the matter shall be taken up on day to day basis," said the court as it listed the case for hearing on August 28. Advocate Vijay Agarwal, who appears for some of those acquitted including R K Chandalia, who was Raja's private secretary had happened, urged the court to take up an application by two private companies seeking vacation of attachment of their properties following their acquittal in the case.

"I am honourably

acquitted. Not a single property can be attached now," Agarwal argued. The court said it will first hear the leave to appeal. Earlier, the case was heard on a day to day basis by Justice Brijesh Sethi, who retired on November 30, 2020. He had released the matter from his board on

November 23 of the same year owing to paucity of time. Before demitting the office, Justice Sethi had decided various petitions and applications filed by the acquitted individuals and firms in the three cases lodged by the CBI and the ED. The CBI has contended there are glaring irregularities in the judgment passed by the trial court that acquitted the former telecom minister, business firms and others in the 2G spectrum allocation scam case. It has argued that the evidence placed before the special court was disregarded. The special court had on December 21, 2017, acquitted all the accused in the case, including prime accused Raja and DMK MP Kanimozhi, holding that the prosecuting agencies failed to prove the charge.
